

Welcome!

ALL WHO COME TO WORSHIP GOD ARE ALWAYS WELCOME HERE.

This is Christ's Church and together we are seeking to love the world as the Beloved did. We also seek to be as embracing as Jesus was. Therefore, everyone is invited into full membership and ministry regardless of age, sexual orientation, race, ethnic origin, or worldly condition.

BULLETIN BOARD

Thought for the Week

Peace be with You

Peace is not the product of terror or fear.

Peace is not the silence of cemeteries.

Peace is not the silent result of violent repression.

Peace is the generous, tranquil contribution of all to the good of all.

Peace is dynamism.

It is right and it is duty.

-Archbishop Oscar Romero

SUNDAY SERVICES

You can catch our livestream on Facebook (this is where you will get the best video quality, especially for music, and you don't need to have a Facebook account) or on the Zoom Worship and Coffee Hour Room. If you or someone you know would prefer to connect by phone, please let Pastor Stacey know and she'll provide a call-in number. YouTube also provides a great quality video!

MISS CONNECTING WITH OTHERS IN A MEANINGFUL/MUSICAL WAY?

Did you ever take piano lessons or play a musical instrument? We'll if you are interested, the MAPC Handbell Choir might be your next new adventure!!! We already wear gloves, so what, let's wear mask too. I'm planning for a short introductory "rehearsal" on Thursday 9/17 in the choir room 6:30-7:15. We'll practice social distancing, won't share bells or music and stay safe. Ringing is fun, contact Chris Miller if you want to give it a try! (859-394-4439) or triller@fuse.net

REMOTE VOLUNTEER OPPORTUNITY TO HELP OUR KIDS THIS SCHOOL YEAR!

Christ Emanuel Christian Fellowship (CECF) reached out to the principals at Frederick Douglass Elementary and Withrow Jr./Sr High School, asking how we might help when school resumes this fall (see the conversation here: <https://www.facebook.com/watch/?v=288384142494572>).

Both principals outlined ways they would like community members to connect with students remotely. Douglass kids will need help navigating technology and making sure they know which assignments to complete when. Withrow students and families will benefit from someone to check in regularly, asking about how they are keeping up and connecting them to school and community resources. Both principals emphasized the need for consistency! Information and training will be provided from each school

If you are interested, please contact Cassie from CECF (Cwardlawo1@yahoo.com), giving your name, which school you are interested in, and your email address. Cassie will make sure you are included in the next steps of setting up this program.
